

PLANNING YOUR EVENT

General Information

The events team at JUSTIN Vineyards & Winery takes great pride in executing flawless events and providing a spectacular culinary selection with a focus on local, fresh, and organic products that are authentic to California's Central Coast. We are happy to customize our menu to suit your tastes. For events of 40+, we require that you provide a "day of" wedding coordinator. We can also provide recommendations for vendors we have worked with in the past including florists, photographers, DJs, wedding coordinators, lighting and more.

Pricing, services, and availability are subject to change.
