## FOOD&WINE Wine Guide 2012

“A revelatory sip of Bordeaux led ex-banker Justin Baldwin to found his winery, specializing in estate-made Bordeaux blends, in 1981 near Paso Robles. The now midsize winery’s offerings include the flagship ISOSCELES bottling and a new high-end Syrah blend, FOCUS.

### 2008 ISOSCELES

“This Bordeaux-style blend is rich, luscious and packed with sweet black fruit.”

### 2008 JUSTIFICATION

“A Cabernet Franc-Merlot blend, this weaves savory, earthy complexity with ripe kirsch flavors.”
